# Chapter 1: Getting started with braintree

## Remarks

This section provides an overview of what braintree is, and why a developer might want to use it.

It should also mention any large subjects within braintree, and link out to the related topics. Since the Documentation for braintree is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting braintree set up or installed.

Read **Getting started with braintree** online: <https://riptutorial.com/braintree/topic/1626/getting-started-with-braintree>
