# Chapter 1: Getting started with django-cms

## Remarks

This section provides an overview of what django-cms is, and why a developer might want to use it.

It should also mention any large subjects within django-cms, and link out to the related topics. Since the Documentation for django-cms is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting django-cms set up or installed.
