# Chapter 1: Getting started with drop-down-menu

## Remarks

This section provides an overview of what drop-down-menu is, and why a developer might want to use it.

It should also mention any large subjects within drop-down-menu, and link out to the related topics. Since the Documentation for drop-down-menu is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting drop-down-menu set up or installed.
