Use the content presented in this book at your own risk; it is not guaranteed to be correct nor accurate, please send your feedback and corrections to info@zzzprojects.com

Chapter 1: Getting started with es6-promise

Remarks

This section provides an overview of what es6-promise is, and why a developer might want to use it.

It should also mention any large subjects within es6-promise, and link out to the related topics. Since the Documentation for es6-promise is new, you may need to create initial versions of those related topics.

Examples

Installation or Setup

Detailed instructions on getting es6-promise set up or installed.
