# Chapter 1: Getting started with identityserver3

## Remarks

This section provides an overview of what identityserver3 is, and why a developer might want to use it.

It should also mention any large subjects within identityserver3, and link out to the related topics. Since the Documentation for identityserver3 is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting identityserver3 set up or installed.
