# Chapter 1: Getting started with in-app-purchase

## Remarks

This section provides an overview of what in-app-purchase is, and why a developer might want to use it.

It should also mention any large subjects within in-app-purchase, and link out to the related topics. Since the Documentation for in-app-purchase is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting in-app-purchase set up or installed.
