# Chapter 1: Getting started with jax-rs

## Remarks

This section provides an overview of what jax-rs is, and why a developer might want to use it.

It should also mention any large subjects within jax-rs, and link out to the related topics. Since the Documentation for jax-rs is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting jax-rs set up or installed.
