# Chapter 1: Getting started with odoo-10

## Remarks

This section provides an overview of what odoo-10 is, and why a developer might want to use it.

It should also mention any large subjects within odoo-10, and link out to the related topics. Since the Documentation for odoo-10 is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting odoo-10 set up or installed.
