# Chapter 1: Getting started with quartz.net

## Remarks

This section provides an overview of what quartz.net is, and why a developer might want to use it.

It should also mention any large subjects within quartz.net, and link out to the related topics. Since the Documentation for quartz.net is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting quartz.net set up or installed.
