# Chapter 1: Getting started with ssl

## Remarks

This section provides an overview of what ssl is, and why a developer might want to use it.

It should also mention any large subjects within ssl, and link out to the related topics. Since the Documentation for ssl is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting ssl set up or installed.

Read [Getting started with ssl online](https://riptutorial.com/ssl/topic/1699/getting-started-with-ssl): <https://riptutorial.com/ssl/topic/1699/getting-started-with-ssl>
