# Chapter 1: Getting started with vsto

## Remarks

This section provides an overview of what vsto is, and why a developer might want to use it.

It should also mention any large subjects within vsto, and link out to the related topics. Since the Documentation for vsto is new, you may need to create initial versions of those related topics.

## Examples

### Installation or Setup

Detailed instructions on getting vsto set up or installed.

Read **Getting started with vsto online**: <https://riptutorial.com/vsto/topic/5222/getting-started-with-vsto>
